Membership is valid for one (1) year from the enrollment date. Services are limited to those specifically included in the Property Protection Plan. Preventative maintenance includes minor adjustments only and does not include major repairs, replacement materials, or structural repairs. The homeowner is responsible for providing safe and reasonable access to the property for scheduled services. Services may be rescheduled due to weather conditions, unsafe working conditions, or limited property access. Priority storm response is provided to members but response times cannot be guaranteed following widespread storms or extreme weather events. Storm inspections and reports do not guarantee insurance coverage or claim approval. Member discounts apply only while the Membership is active and cannot be combined with other offers or applied to previously contracted work. The Property Protection Plan is a preventative maintenance program and is not a warranty, insurance policy, or guarantee against future leaks, damage, or system failures. Next Level is not responsible for additional damage resulting from recommended repairs that are declined or delayed by the property owner. Membership benefits are non-transferable unless approved by Next Level Seamless Gutters / Exteriors Inc. All repair and replacement work is subject to Next Level's standard contract Terms & Conditions.
